Proctor Request Form

For students who cannot travel to a campus testing center, the Extended Learning Institute requires that a proctor be a staff member at a testing center at a college or university. Proctors cannot be a family member, employer, or someone with whom the student works. Incarcerated students should suggest an educational officer or counselor as their proctor. Disabled and other students who do not have access to an educational institution should suggest an alternative proctor, preferably an educator. Requests for proctored exams and proctors must be approved by ELI. ELI reserves the right to reject requests or proctors for any reason. For approved requests and proctors, exams will be sent to the proctor. For denied requests or proctors, an ELI staff member will contact the student. If the proctor charges a fee, payment is the student's responsibility.
